## **Memorial Day—Monday, May 27th**

"We come, not to mourn our dead soldiers,  
but to praise them."

*Francis A. Walker*

In January 2007, Catherine Cortez Masto began serving her first term as Nevada's Attorney General after will more votes than any other statewide candidate. Known for her integrity and leadership, General Masto has committed her time in office to protecting and advocating on behalf of the people and communities in Nevada.

As the chief law enforcement officer of the State, she has worked to keep our communities safer. In February of 2007 she advocated for the creation of a state-wide Methamphetamine Working Group to combat the use and distribution of methamphetamines in Nevada. Working closely with law enforcement, treatment providers and community advocates and leaders, General Masto fought for a new state law that restricts the sale of materials used to manufacture meth. The new law also added new criminal penalties for engaging in certain activities related to the manufacture of meth. She sponsored a bill to create a permanent Working Group to fight all substance abuse including prescription and synthetic drugs. General Masto helped secure funding for the Nevada Drug Engaged Children Alliance. She is currently the chair of the Substance Abuse Working Group.

Staying true to her commitment to protecting seniors, General Masto created a senior protection unit in her office ensuring for the first time that her investigators and prosecutors would have the necessary tools to pursue those who abuse, neglect or exploit seniors in our communities. She has continued her commitment to seniors by hosting a statewide conference for senior advocates, providers and law enforcement to provide them with the tools and best practices for preventing and addressing elder abuse. She sponsored a bill to include additional civil penalties for crimes against the elderly including assault, battery, larceny, and mortgage fraud.

## SENIORS UNITED CREED ESTABLISHED BY JULIAN AND LILIAN WALLACE

*Seniors United was created as an inspirational medium for seniors. It's purpose is to educate, promote and protect the rights of seniors.*

*The needs of seniors differ from younger citizens. It is important to have an organization devoted to our place in the community and to promote it's continued growth.*

*The members of Seniors United want to share experiences with others. Nonpartisan and nonsectarian, we are very actively involved in the political structure of our state and country. Forums are varied to benefit the needs of the community and to discuss political issues. Guest speakers come from all areas.*

*It is with pride that we are seniors and are doubly proud to be members of Seniors United. The pride continues in our many accomplishments and in the good name we have established in the community. Our goal is to develop plans for a great tomorrow and to make it happen.*

*Everyone is welcome, young to old and from every walk of life.*
